# SPWLA Houston Chapter Newsletter

SPWLA Houston Chapter is closing the 2014-2015 season and will resume with activities in September.

Have a nice summer!

Welcome the new Board for 2015-2016.

Congratulations to the new elected SPWLA Houston Chapter Board!

## President's Corner

Dear Chapter Members,

Well we have now finished our 2014/2015 season with two events happening in May. On May 13th we had our Spring Topical Symposium, held in the Chevron Auditorium in downtown Houston. This successful event was attended by 55 members and was on the topic of "Mature Field Petrophysics: Maximizing the Value of Existing Assets". We had seven speakers, across a variety of different subjects and from various industry backgrounds and the presentations were followed by a lively panel discussion. I would like to thank all our members who attended, the board members who help run the event, our speakers and of course our event sponsor (Weatherford) and also Chevron for allowing us to use their facilities. We also held our Spring Social Event on May 29th at the Top Golf facility in west Houston. This was a fun filled evening of golf, food and door prizes and was kindly sponsored by Petrolink. Hopefully this will become a regular event in the chapter calendar. As you may also have noticed that we held the chapter elections in May. The election results are online and I would like to take this opportunity to thank the outgoing board for all their hard work and dedication over the last year and to welcome the new board and to wish them the best of luck next year. I would also like to thank everyone who volunteered to stand for the election and I would encourage all of those who did not make it this time round to consider standing again at the next opportunity. The new board will take over officially after the SPWLA Annual Convention in July and speaker meetings will resume again in September. If you are interested in being a speaker at one of the upcoming lunch events then please contact any member of the chapter board and they can put you in contact with the appropriate person.

I hope you all our members have a great (and safe) summer! If you have any questions or comments about chapter activities then please feel free to contact me directly at [president@spwla-houston.org](mailto:president@spwla-houston.org).

Regards,  
Matt Blyth
